Dear Parker-Davis Project Electric Service Customers:

A meeting will be held at Western Area Power Administration's (Western) Desert Southwest Customer Service Regional Office located at 615 South 43rd Avenue in Phoenix, Arizona on the afternoon of May 4, 2004 beginning at 1:00 p.m.

The topic of discussion will be the proposed Section 12 (Review and Adjustment of Federal Power Allocation) language for Western's prototype Amendment No. 1 to extend the Parker-Davis Project Electric Service Contracts. The purpose of the meeting will be informal dialogue and discussion to ensure that Western has a full understanding and appreciation for customer comments and concerns.

Western is still in the process of coordinating your comments with the other Western Regions and the Corporate Services Office. However, the opportunity for this meeting following the Parker-Davis Project FY 2005 Annual Operating Plan meeting will provide a forum for all parties to better understand each others concerns, intended meaning, purposes, and suggested changes.

Again, thank you for your continuing involvement and contributions in this P-DP Contract Extension Amendment process.

Sincerely,

Jean Gray
Assistant Regional Manager
for Power Marketing
